A very enjoyable little Hallowe'en party was held last evening at the home of Misses Katherine and Dorothy Brown of North Main street. Twelve young people gathered at the house and a very pleasant evening was passed in dancing, singing and games, as well as with an informal program. Refreshments were served by the hostesses later in the evening and the party continued until a late hour.

Quite a number of Barre people left today for Northfield to attend the Middlebury-Norwich game called for this afternoon at Sabine field. The two teams are rather evenly matched and it is the expected closeness of the contest that is the big drawing card. There will, however, be enough people left in town to fill the Lincoln campus bleachers when Springfield hits the big Lyndon line and everyone is out to see the local team come through with a win. The Legion team which contests with the crack Burlington A. C. team to-morrow, has been strengthened somewhat by practice and the addition of "Nelt" Browne to the squad so that to-morrow, when the two teams line up at Inter-city park, the turf is going to fly.

## Advertising is the Sunlight of Business

To all that is healthy and vital in business, it means increased strength and growth; but advertising is a fierce heat which withers and consumes that which is unsound.

A business which is not a good business should not be advertised. A business which would not benefit from widespread appreciation of its deals had better acquire a new set of ideals.
